ACRYLIC ESSENTIALS: THE TOOLS, STYLES, AND COLOR MIXING YOU NEED TO KNOW

Josie covers the history of acrylic paint (in a really fun way, don't worry), explains the difference between watercolor, oil and acrylic, and gives you alllllll the info you'll need next time you're shopping for acrylic at the art supply store!

COLOR 101: HOW TO FIND YOUR PERSONAL COLOR PALETTE

This presentation is a replay of a live event where Josie covers the fun steps to discover the personal color palette that is unique to you. Everyone has one, we promise!

The following 3 courses are exclusives from Josie's Art & Business membership, Art Revenue Coaching. Though you may be making art entirely for pleasure, these courses unpack and explain the art making journey in a way that will help both professional and amateur artists.

YOUR STUDIO PRACTICE

In this 5 lesson course, join Josie as she talks about finding an incredible flow with your art making habit and rituals. She discusses how to arrange your studio, your time and your mindset.

UNLOCKING YOUR ARTISTIC PROCESS

The process of creation consists of 4 distinct phases: research, skill development, iteration, and showing your work (if you wish). Josie explains how to move smoothly from one phase to the next, and not get stuck anywhere!

REFINING YOUR UNIQUE VOICE

Everyone has a unique voice, it just takes a lot of art time for it to emerge. If you are interested in developing your own personal language and individual expression, this is the course for you!
